

MDF Sealer
GORI 647**Specially formulated for MDF materials**

Teknos' special primer, GORI 647 MDF Sealer, is specially formulated for use on exterior MDF wooden materials and designed to ensure lasting results when applied as part of a coating system. GORI 647 MDF Sealer can easily be applied by brush, hand or automatic spraying systems.

Best in Test

GORI 647 strongly reduces water permeability and swelling of the exterior MDF and HDF. MDF Sealer has been tested by WKI Fraunhofer Institut, where it received category "W3" – the best value according to DIN EN 1062-1, which stands for "low water permeability".

The WKI test also confirmed that its dry adhesion complies with the DIN EN ISO 2409 requirements for coating systems.

You are as safe as houses

GORI 647 has been developed to ensure durability, convenient handling and ease of application. The MDF Sealer is water-based and one-component.

EU regulations

We comply with the rules according to the VOC Directive. We work continuously to ensure that our products comply with the REACH regulations.

Give us a call

A call to Teknos is a quick and easy way to get sound advice if you are considering using GORI 647 or any other Teknos coating product. Our technical support organisation are always ready to support you in designing your optimal coatings solution and application system.

▲ The MDF Sealer ensures dimensional stability and protect edges and milled grooves against absorption of moisture

GORI 647 "Best in Test" (performed by WKI) for products sealing MDF. ▼

Features and benefits

Features	Benefits
Areas such as cut edges and milled grooves are protected against absorption of moisture	Proven reduction of dimensional changes
Reduction of swelling	Excellent dimensional stability
GORI 647 provides optimum adhesion for subsequent treatment of the surface	Excellent end result and, consequently a very durable surface coating

GORI 647

Content	Synthetic binder, water
Colour	Colourless
Packing	20

Recommended coating systems

	Exterior MDF wooden materials 3-layers
Special primer	GORI 647
Intermediate	GORI 616 / AQUAPRIMER 3130
Topcoat	GORI 660 / AQUATOP 2600
